Jacqueline,

Could you send me your full mailing address, email and phone number back in an email?

This is so I can have your info added to our enforcement agreement so that you are directly sent a hardcopy and electronic copy of any PRP reports or submittals for OU1.

Hi Jen,

I'm now on the 12th floor. Otherwise, my contact information is correct. In addition to sending me a hard and paper copy of each submittal, they should send an electronic copy to Jacqueline Nealon at NYSDOH.

Sincerely,

Jeff,

Our office of regional counsel and I are finishing up drafting the enforcement agreement for the remedial design of NCHGW OU1 and for the RI/FS of OU3.

In these agreements, we ask that copies of all plans, reports and other submission are submitted as a hard copy and an electronic to EPA and to the State.

Can you please confirm I have the correct mailing address/contact information (directly below) and that 1 hard copy and 1 electronic copy will suffice for the State's review purposes.
